

## **NAAWS Committee Policy 107 – Assignment of Rights**

### **PURPOSE**

Whereas individuals, employees and/or companies wish to participate in the development of NAAWS Committee standards and/or derivative publications either as a member of the NAAWS Committee or as a contributor of materials to the NAAWS Committee, the NAAWS Committee endeavors to protect the integrity of its publications from beneficial claims by assignment of all current and future rights.

### **POLICY**

NAAWS Committee volunteers, whether individuals, employees and/or companies, are required to assign their rights to any beneficial materials and/or information in any manner created from participation in the NAAWS Committee's standards setting endeavors by execution of NAAWS Committee Form 107 (Assignment of Rights), available on the NAAWS Committee website at: [www.naaws-committee.com](http://www.naaws-committee.com)
